November 22, 2013

13-14 CAPR 7

TO: The Executive Committee
FROM: The Committee on Academic Planning and Review (CAPR)
SUBJECT: 13-14 CAPR 7: Request for [discontinuance of the Pre-Physical Therapy Certificate](#)
ACTION REQUESTED: For approval by the Academic Senate; effective Fall 2015

BACKGROUND:

At CAPR's October 17, 2013 meeting, Chair of Kinesiology, Penny McCullagh presented the request for the approval of the discontinuance of the Pre-Physical Therapy Certificate. McCullagh cited the fact that the certificate doesn't apply to any major or program as a reason for the lack of student interest and enrollment, which serves as a deciding factor in the discontinuance.

ACTION REQUESTED:

CAPR passed the request for discontinuance unanimously, and asks that the Academic Senate consider approving the request for discontinuance of the Pre-Physical Therapy Certificate.
