

COMMITTEE ON ACADEMIC PLANNING AND REVIEW

16-17 CAPR 14
April 20, 2017

TO: The Academic Senate

FROM: The Committee on Academic Planning Review (CAPR)

SUBJECT: 16-17 CAPR 14: Request for the discontinuance of the BS in Health Sciences Option D Environmental Health

PURPOSE: For Action by the Senate

ACTION REQUESTED: CAPR accepted the Health Science Department's request and asks that the Academic Senate recommend the discontinuance of the BS in Health Sciences Option D Environmental Health; with the President's approval, effective Fall 2018

BACKGROUND:

At CAPR's April 20, 2017 meeting, the committee reviewed the Health Science Department's request to discontinue the BS in Health Sciences Option D Environmental Health. This option is being discontinued within Health Sciences and the Department of Earth and Environmental Sciences will offer an Environmental Health Concentration working with Health Sciences.

CAPR approved the request; additional information regarding the request available on [Curriculog](#) and attached.

BS in Health Sciences, Option D Environmental Health

8. Semester Conversion Request to Discontinue Quarter-System Programs

General Discontinuance Information

*****READ BEFORE YOU BEGIN****

Use this form to discontinue quarter-based programs including: **DEGREES/MAJORS, OPTIONS, MINORS, CERTIFICATES, CREDENTIALS, AND SUBJECT MATTER PREPARATION PROGRAMS.**

STEP ONE: Turn on *help text*, by clicking the Show Help Text icon  above this section of the form.

STEP TWO: Complete all required fields below.

Effective Term: Fall 2018

2018

Effective Catalog: Fall 2018-

Department*

Department of Health Sciences

Program to be Discontinued:* BS in Health Sciences, Option D Environmental Health

How many students are currently pursuing this program?* 14

Discontinuance Justification:* This option is being discontinued within Health Sciences and the Department of Earth and Environmental Sciences will offer and Environmental Health Concentration working with Health Sciences.

The Department is responsible for accommodating students in finishing their program.

Are the courses these students need still being offered and, if not, is the department ready to make appropriate substitutions?

Explain how the department will help students finish their program:*

Students will be able to complete their program in EES. Students will be advised beginning in Fall 2016 as to which department to enroll in. The course requirements are generally unchanged.

Resource Implications:*

Building an Option V curriculum has resources implications for laboratory space and field courses.

Consultation with affected departments:

The following department(s) has (have) been consulted and raised no objections:**

Department of Anthropology, Geography and Environmental Studies

Department of Biological Sciences

Department of Chemistry and Biochemistry

Department of Earth and Environmental Sciences

Department of Nursing

Department of Physics

No objections raised from consulted departments.
