TO: The Academic Senate  
FROM: The Committee on Instruction and Curriculum (CIC)  
SUBJECT: 12-13 CIC 22 amended: Retention of Infrequently Offered Courses  
PURPOSE: For Action by the Senate  
ACTION REQUESTED: That the Academic Senate approve the retention of the following courses, which have not been taught for three academic years, for one additional year (2013-14); at the end of AY 13-14 the courses will either be retained if taught or automatically discontinued if not taught.

BACKGROUND INFORMATION:
University policy requires that a course not taught during three consecutive academic years be automatically cancelled unless the department appeals for and receives a one-year extension to offer the course. If an appeal is granted through regular curricular channels (CIC, Academic Senate, President) and the course is not taught during the fourth year, it is to be closed out from the Course Inventory at the end of the fourth year and deleted from the next Catalog. If the course is taught in the fourth year, it is retained for at least three more years.

On March 14, 2013, Sarah Aubert, Catalog and Curriculum Specialist/Curriculum Coordinator, sent to each college a list of their departments’ courses that had not been taught for the past three years (2010-11, 2011-12, 2012-13). They were asked to respond by April 2, 2013 with any requests to appeal courses for retention for a fourth year.
