TO: The Executive Committee
FROM: The Committee on Instruction and Curriculum (CIC)
SUBJECT: 13-14 CIC 12: Formation of a special Subcommittee on Affordable Learning Solutions
PURPOSE: For approval of the Executive Committee; effective immediately

BACKGROUND:
At its December, 2, 2013 meeting, the Committee on Instruction and Curriculum heard from Aline Soules regarding a subcommittee formed to address “Affordable Learning Solutions” (see http://als.csuprojects.org) corresponding to the Chancellor’s Office’s initiatives. Academic Senate Chair also sent a referral to CIC to consider adopting this group as a subcommittee of CIC. CIC voted to approve this committee as a special subcommittee of CIC, to be populated by at least one representative of each College and the Library and at least one member of CIC. During 2014, CIC will consider making it a standing subcommittee of CIC.

ACTION REQUESTED:
That the Executive Committee approve the establishment of the Affordable Learning Solutions subcommittee as a special subcommittee of CIC for the 2013-14 academic year.
