TO: The Academic Senate
FROM: The Committee on Instruction and Curriculum
SUBJECT: 14-15 CIC 37: Infrequently Offered Courses memo from the APGS Office
PURPOSE: For Action by the Academic Senate

ACTION REQUESTED: That the Academic Senate approve the retention of the following courses which have not been taught for three academic years for one additional year (2015-16) at the end of which time they will either be retained if taught or automatically discontinued if not taught.

BACKGROUND INFORMATION:
University policy requires that a course not taught during three consecutive academic years be automatically cancelled unless the department appeals for and receives a one-year extension to offer the course. If an appeal is granted through regular curricular channels (CIC, Academic Senate, President) and the course is not taught during the fourth year, it is to be closed out from the Course Inventory at the end of the fourth year and deleted from the next Catalog. If the course is taught in the fourth year, it is retained for at least three more years.

On March 18, 2015, Sarah Aubert, Catalog and Curriculum Specialist/University Curriculum Coordinator, sent to each college a list of their departments’ courses that had not been taught for the past three years (2012-13, 2013-14, 2014-15). They were asked to respond by April 1, 2015 with any requests to appeal courses for retention for a fourth year.

The courses listed immediately below were appealed and were submitted to CIC at its meeting of May 4, 2015 where the appeals were approved by a unanimous vote.
