TO: The Academic Senate
FROM: Committee on Instruction and Curriculum (CIC)
SUBJECT: 15-16 CIC 58: Revision request for Sociology B.A.

PURPOSE: Information to the Academic Senate

ACTION REQUESTED: That the Senate accept the information that the revision request for Sociology B.A. has been approved by CIC.

BACKGROUND INFORMATION:
The Senate process for approving transformed degree programs for the semester calendar is defined by 14-15 CIC 36. The Committee first discussed the program at its May 2 meeting, but gave the Department some feedback. Upon receiving the Department’s response to the feedback, the semester-based B.A. Sociology program was approved by CIC by a vote of 9-1-0 on May 16, 2016 with the acknowledgement that some non-substantive changes may occur in the Catalog copy. (The individual who voted against stated that the vote was to try to seek Senate approval and not about confidence in the program. Since the 3/4s threshold was met nonetheless, the program is being sent as information.) The proposal may be viewed within Curriculog.
