TO: The Academic Senate

FROM: Committee on Instruction and Curriculum (CIC)

SUBJECT: 16-17 CIC 118: Registration Order

PURPOSE: Approval of the Academic Senate

ACTION REQUESTED: That the Senate approve the policy below. Upon the President’s signature, policy effective as soon as possible.

BACKGROUND INFORMATION:
At its May 1, 2017 meeting, the Committee received a referral from the Executive Committee regarding AB 801. The law requires CSU campuses to provide priority registration to “homeless youth”. It was the opinion of some Committee members that the problem of homelessness extends beyond age 25 and, after discussion, the Committee unanimously recommended the policy below, which affords homeless students of any age priority registration. Registrar Angela Schneider, after consulting with the financial aid office, indicated that this addition would apparently add about 5 current students.

It is the intent of the Committee that the additions below apply both to quarter registration (14-15 CIC 42) and to semester registration (16-17 CIC 7). Accordingly, the additions will be documented below, but the whole policy will not be stated since there are two working versions. This addition supplements those listed in 16-17 CIC 31.

Additions are noted in **bold red text**; deletions are **struck-out**. The percentage change in the second line is correcting a typo that exists in the current policy.

PROPOSED POLICY:

Registration order #1 shall be changed as follows:

1. **Priority Registration without cap**:
• Students with disabilities who have demonstrable need as identified by Accessibility Services
• Foster youths and former foster youths, including Renaissance Scholars, as defined by law. (Education Code Section 66025.9 requires the CSU to grant priority for registration for enrollment for any foster youth or former foster youth.)
• Veterans of the US Armed Forces who are registered with the Veterans Affairs Coordinator. (Education Code Section 66025.8 requires the CSU to grant priority for registration for enrollment for any member or former member of the Armed Forces for any academic term within two years of leaving active duty.)
• Homeless students, as determined by criteria set forward by the Board of Trustees or their designees.
