TO: The Academic Senate
FROM: Committee on Instruction and Curriculum (CIC)
SUBJECT: 16-17 CIC 39: Revision request for minor in Art History and Visual Studies
PURPOSE: Information to the Academic Senate
ACTION REQUESTED: That the Senate accept the information that the revision request for minor in Art History and Visual Studies has been approved by CIC.

BACKGROUND INFORMATION:
The Senate process for approving transformed degree programs for the semester calendar is defined by 14-15 CIC 36. The Committee discussed the minor in Art History and Visual Studies (previously, just “Art History”) at its November 14 meeting, which was attended by a representative of the Department: Gwyan Rhabit, who is also a member of the Committee. It was approved by CIC unanimously with the acknowledgement that some non-substantive changes may occur in the Catalog copy, such as the addition of the number of units for courses. It was well-understood by the Committee that Art majors may take this minor, but this needs to be explicitly stated in the Catalog, per 15-16 CIC 6 revised. The proposal may be viewed within Curriculog; the summary is attached as a PDF document per ExCom’s request.

This was approved unanimously by CIC on November 14. It is documented as 16-17 CIC 39. The fact that Art majors may take this minor needs to be explicitly stated, per 15-16 CIC 6 revised.

Please note the recommended change: choose an appropriate upper division course (strike from an appropriate department).

I note that the semesters units required for this minor (24 units) match the quarter Art History minor (36 units).

**Stephanie Matsuda**

At least 9 units that are not included in the B.A. Art, Studio Arts concentration.

Amended though conversation with originator, to allow Art Studio majors to take the minor and stay within definition of minor.
