COMMITTEE ON INSTRUCTION AND CURRICULUM

18-19 CIC 32
Monday, April 15, 2019

TO: The Academic Senate
FROM: Committee on Instruction and Curriculum (CIC)
SUBJECT: 18-19 CIC 32: Hybrid Approval of GS 101A, Foundations of Success I
PURPOSE: Information to the Academic Senate
ACTION REQUESTED: That the Senate be informed that GS 101A will retain GE Area E certification when it is offered as a hybrid course.

BACKGROUND INFORMATION:
At its meeting on March 27, 2019, the General Education, Overlay, and Code Subcommittee considered the application of GS 101A, Foundations of Success I, to be taught as hybrid. The vote was unanimously in favor of approval, though there were abstentions. GEOC has the authority to make such approvals, due to 13-14 CIC 5.

At its meeting on April 15, 2019, CIC unanimously accepted this as information.
