   c. Chair. The Chair thanked people for their comments and changes on the google docs.

4. Old Business:
   a. Area C outcomes. There were further comments on the Area C outcomes, including how some of these outcomes might be assessed. In discussing C3, the subcommittee members specifically noted that this part does not have to be an activity course. There was considerable discussion about upper division area C. There was also discussion about whether there should be an expressed requirement for courses to come from different disciplines. On this matter, a good portion of the discussion regarded the current MLL exceptions. Ultimately, the consensus was to require students to take courses from 3 disciplines (prefixes) to satisfy area C. There was no formal acceptance, as there is still some discussion about upper division prerequisites (C1-C4).

5. New Business.
   a. Area D. The Chair provided the existing outcomes. The subcommittee set about addressing the outcomes.

6. Adjournment. The Chair declared the meeting adjourned at 4:06 due to time. The next meeting is November 2 at 4 at which point area D will continue.

Respectfully submitted,
Mitchell Watnik, subcommittee secretary
