Designation Code: **06-07 BEC 8**

Date Submitted: January 9, 2007

TO: The Academic Senate

FROM: Executive Committee

SUBJECT: Implementation of the Approved Academic Renewal Policy
Changes

PURPOSE: For Action by the Academic Senate

ACTION

REQUESTED: That the Academic Senate approve a postponement of the implementation date for the changes to the Academic Renewal Policy, previously approved on 04-05 CIC 11, from Fall 2006 to Spring 2007; effective upon the signature of the President

BACKGROUND

INFORMATION: At its meeting on January 9, 2007, the Executive Committee discussed implementation problems regarding the Academic Renewal Policy, as approved on 04-05 CIC 11, and the ability of Enrollment Services and current computer programming to put the changes into practice, as previously approved. It was noted that there is considerable expense to revise programming on an old system (SAIL) and a new one directly after (PS).

It was reported by AVP Carl Bellone that Enrollment Services will implement the new Academic Renewal Policy for Spring Quarter 07. Thus, it will only be a two quarter delay. This will save ES from having to do double programming, once for SAIL and then again for PeopleSoft. ExCom deemed it advisable to postpone the effective date on the approved policy changes from Fall 2006 to Spring 2007 and voted to send this issue to the Senate for approval.
