ACTION  
REQUESTED: Discontinuance of the Religious Studies Minor and the Cognitive Science Minor in the Philosophy program

The Philosophy Department, through the CLASS Interim Dean, has requested the discontinuance of the Religious Studies Minor and the Cognitive Science Minor in the Philosophy program. This request is in conjunction with a) the revision of the Philosophy minor and b) the numbers currently enrolled in these minors (2 in Religious Studies; 1 in Cognitive Science).

As these minors listed elective courses from other departments, the Philosophy Department stated their intention to notify the affected departments of this proposed change, but anticipated little or no impact on enrollment in these programs.

Upon review of this request, the Committee on Academic Planning & Review recommends approval of these requests.
