OPTION IN PUBLIC MANAGEMENT**

1. **Department:** Public Affairs and Administration
2. Full and exact title of program, with name of major for options: Masters of Public Administration
3. List of **other options, minors, certificates, or credentials** in the major/department. Proposals are concurrently being submitted to combine option areas into the following 3 areas:
 1. Option in Public Management and Policy Analysis (24 units)
 2. Option in Management of Human Resources and Change (24 units)
 3. Option in Health Care Administration (24 units)

Purpose of the Proposed Discontinuance. Due to limited resources, the department has had the problem of offering courses in five option areas. Thus, the consolidation of the existing five options into three option areas would improve the efficiency in scheduling and will better meet the needs of students. These changes are necessary to meet the accreditation standards established by the National Association of Public Affairs and Administration (NASPAA).

3. **How many students** are currently pursuing this option, minor, certificate, or credential?
Approximately 110 students
4. The **Department is responsible for accommodating students** who are currently pursuing this option, minor, certificate, or credential in finishing their program
All of the courses currently offered under this option will continue to be offered under the proposed new option area.
