

CALIFORNIA STATE UNIVERSITY, EAST BAY

Designation Code: **10-11 CAPR 2**

Date Submitted: October 14, 2010

TO: The Executive Committee

FROM: Committee on Academic Planning & Review (CAPR)

SUBJECT: Preliminary liaison designations for five-year reviews 2010-11

PURPOSE: Information item for the Excom of the Academic Senate

ACTION REQUESTED: Information item only

BACKGROUND

As detailed in the CAPR policies and procedures, each program scheduled to conduct a five-year review in 2010-11 requires a CAPR liaison to act as a point person in the development, submission and evaluation of their five-year review and for the drafting of the CAPR recommendation concerning the program for consideration by the full committee. At our meeting of October 7, 2010, the following members were assigned the following program or programs as liaisons. Note that if CAPR gains more members (we currently have one vacancy for a CBE representative, one Presidential appointee vacancy, and two student member vacancies), these assignments may change. Moreover, if CAPR receives and grants any requests for postponement of reviews for programs to 2011-12 this may also cause reassignment of liaison duties among CAPR members.
