Watnik announced that Chancellor White will be visiting campus February 26-27. President Morishita will yield his Senate report to the Chancellor on 2/26.

B. Report of the Provost
Provost Houpis reported on the status of searches. New hires are as follows: CBE: 17, CEAS: 5, CLASS: 18, COS: 17, LIB: 1. A minimum of five searches will be rolled over; the final number may be more. In cases where a search yields two exceptional candidates, both may be hired.

IREE proposals are in, totaling approximately $2.5M in requested funding: CBE: $198K, CLASS: $665K, CEAS: $160K, COS: $710K: Concord: $9K. The Provost hopes to fund $1.5-2M in new equipment.

The Provost reported on PFD. The last meeting of the Support working group did not have a quorum. The Instructional task group is still working on program definition criteria. As draft documents become ready, they will be published on the PFD website for campus community input. Houpis reiterated that the Instructional group makes recommendations, but does not take action on those recommendations. Accordingly, all instructional recommendations will be taken before the Academic Senate.

C. Report of the Statewide Academic Senators
Gubernat reported that Chancellor White spoke at a Meeting of the Whole at the last ASCSU Plenary two weeks ago and took some questions. He expressed concern that the process to change Title 5 occurred without consultation with the faculty. Although Chancellor White echoed the sentiments of Cheney, who voted against the Title V changes, White voted with the
majority to approve the changes. He did promise that this would not happen again on his watch.

Please see the report of the ASCSU for information regarding resolutions and information on nominees for faculty trustee.
