

EXECUTIVE COMMITTEE

13-14 BEC 18
April 29, 2014

TO: The Academic Senate
FROM: The Executive Committee
SUBJECT: 13-14 BEC 18: Interpretation of Bylaws Article X, Section 1
PURPOSE: Information to the Academic Senate

BACKGROUND INFORMATION:

During the Spring election period, the Senate Office received an inquiry regarding whether an administrator in Student Services was allowed to serve as an SSP to the Academic Senate or CIC. According to Article X, Section 1 of the Bylaws:

"Definition of the Student Services Electorate. The Student Services electorate is defined as those student services professionals (in both the Academic Affairs and Student Affairs Divisions) classified SSP III or higher. Questions regarding the interpretation of this definition shall be referred to the Executive Committee for resolution."

The Executive Committee voted to interpret this clause as "SSP III or higher does not include management personnel."

ACTION REQUESTED:

The Academic Senate acknowledge and document receipt of this interpretation.
