

DESIGNATION CODE: 2013-14 BEC 7  
DATE SUBMITTED: November 5, 2013

**TO:** The Academic Senate  
**FROM:** Eileen Barrett, Acting Chair of the Academic Senate  
**SUBJECT:** Status of Information and Technology Advisory Committee  
**PURPOSE:** Approval of the Senate

**ACTION REQUESTED:**

That the Senate approve the continuation of the Information Technology Advisory Committee (ITAC) as an ad hoc committee for one year, and charge ITAC to define what its status as a committee and mission should be.

**BACKGROUND:**

At the Nov. 5, 2013 meeting of the Executive Committee, there was discussion as to whether ITAC should be an ad hoc committee or something more permanent, perhaps a standing committee. It was suggested that a matrix be provided identifying existing technology-related committees. It was decided that ITAC should continue to convene for the 2013-14 academic year, and that the committee should discuss and define its mission and future status.
