

FACULTY AFFAIRS COMMITTEE

18-19 FAC 5
Nov 1, 2018

Senate amended 12/4/18

TO: The Executive Committee and the Academic Senate

FROM: James Murray, Chair, Faculty Affairs Committee

SUBJECT: 18-19 FAC 5 **amended:** Schedule updates for the Assigned Time for Exceptional Levels of Service to Students

PURPOSE: For acceptance and action by the Academic Senate

ACTION REQUESTED: That the Academic Senate review and approve the attached Assigned Time for Exceptional Levels of Service to Students policy and form, effective upon signature of the President

BACKGROUND INFORMATION:

The Collective Bargaining Agreement (CBA) between the California Faculty Association and the Board of Trustees of the California State University designates the awarding of assigned time (in the form of Weighted Teaching Units, WTU) to unit 3 faculty employees “who are engaged in exceptional levels of service that support the CSU’s priorities, but who are not otherwise receiving an adjustment in workload to reflect their effort.” (CBA 20.37) Awards are designated for workload beyond the requirements of normal faculty assignment in enhancing the student learning environment.

In previous years, this policy and form was sent to President Morishita as an information item. The Senate Chair was requested, in a memo dated June 6, 2018, to formulate this policy as an action item requiring his signature to go into effect, due to the contractual and fiscal implications of its contents and consistent with other senate policy recommendations with such implications.

The Faculty Affairs Committee previously revised dates to correspond to the semester schedule, and made the call date earlier to allow faculty more time to apply, and to allow the awards to be determined before the Fall 2019 schedule is created.

I. OVERVIEW

The Collective Bargaining Agreement (CBA) between the California Faculty Association and the Board of Trustees of the California State University designates the awarding of assigned time (in the form of Weighted Teaching Units, WTU) to any faculty members “who are engaged in exceptional levels of service that support the CSU’s priorities, but who are not otherwise receiving an adjustment in workload to reflect their effort.” (CBA 20.37) Of particular concern is the issue of cultural taxation, in which faculty of color are often asked to participate in diversity initiatives for the benefit of minority students. Also of concern are faculty from other historically underrepresented backgrounds who are also involved in diversity initiatives (e.g., LGBTQ+, faculty with disabilities, religious minorities, etc.), as are faculty with an interest in issues faced by our diverse student population. Cultural taxation can include student mentoring, advising, and outreach, for both academic and personal life experiences, especially as these activities support underserved, first-generation, disabled and/or underrepresented students. Awards are designated for workload beyond the requirements of regular faculty assignment in enhancing the student experience. All faculty unit employees are eligible to apply.

II. GUIDELINES

- A. The award (maximum of 4 WTU per year, per person) will be granted for the upcoming academic year in which the service will be conducted. This maximizes the use of the assigned time in the faculty member’s schedule in the upcoming academic year.
- B. Exceptional levels of service to students will be regarded in the context of the standard professional responsibilities of instructional faculty (CBA 20.1) and in keeping with past practices of CSUEB in assignment of professional activities of instructional faculty (CBA 20.2 and 20.3).

III. PROCEDURES

- A. Applications shall include the completed Assigned Time for Exceptional Levels of Service to Students form. The applications will be due on the dates described in the timeline in Section V.
- B. The Faculty Affairs Committee (FAC) will form a subcommittee of three members to evaluate applications and make recommendations via FAC of awards to the Office of Academic Affairs. The subcommittee will consist of a member of FAC, a member of FDEC recommended by FDEC, and a member of ExCom recommended by ExCom.
- C. Course WTUs will go back to the department in which the applicant received the award.
- D. Applicants will be notified of Committee's decision on the dates described in the timeline in Section V.
- E. FAC will report the number of applications and awards (with WTUs awarded) by college and by tenure status (tenured, probationary, or temporary) to the Executive Committee.

IV. CRITERIA

Faculty members already receiving assigned time for the same general category of activity (e.g., assigned time for excess enrollments, assigned time for committee service, assigned time in grants (on or off-campus), or other compensation shall not be eligible for support from this pool for the same activities.

- A. These awards recognize faculty who take on additional workload, especially those who may experience cultural taxation or with a particular demonstrated interest in issues faced by our diverse student population. Applications will be reviewed as to the impact the faculty member's additional workload will have on the quality of students' experiences, especially as these activities support underserved, first-generation, disabled and/or underrepresented students:
 1. Student mentoring, advising, and outreach, especially as these activities support underserved, first-generation, and/or underrepresented students;
 2. The development and implementation of high-impact educational practices (i.e., service learning, student research, internships)
 3. Curricular design intended to improve student access and success;
 4. Service to the department, college, university or community that goes significantly beyond the normal expectations of all faculty;
 5. Assignment to courses where increases to enrollment have demonstrably increased workload; and,
 6. Other extraordinary forms of service of students.
- B. Qualified applications will be ranked with respect to their contribution to exceptional service to students and awards made to the available limit of funds.
- C. Applicants will be notified by the Office of Academic Affairs by email on the outcome of their application. Letters of awards will be placed into awardee's PAF upon the request of the successful applicants. Denials shall specify the reasons.

- D. Appeals of denials or of amount of award shall be made in writing to the Chair of FAC and reviewed by the FAC Appeals Subcommittee.
- E. The FAC Appeals Subcommittee will consist of a member of FAC, a member of FDEC recommended by FDEC, and a member of ExCom recommended by ExCom, none of whom served on the subcommittee that evaluated applications. Additionally, the subcommittee will have as a member the VPAA or designee who shall be a non-voting *ex officio* member. If any of the previously listed members is the appellant, then a replacement will be appointed by Excom.
- F. The expected amount of funds available to the entire campus for providing these awards will be in the range of 20-23 WTU per academic year.
- G. **These criteria are retroactive for the awards made in academic year 2017-18 for 2018-2019.**
