FROM: The Executive Committee of the Academic Senate  
SUBJECT: NOTICE OF ELECTION (November 4 – November 17, 2010)

This is a pdf preview of the ballot to be used in voting in the Fall University at-large election. After determining your choices return to the email in your inbox to proceed with the vote.

This year the ballot to be used in voting for the Professional Leave Committee, Statewide Senate replacement, Foundation Board replacement and the various Administrative Review Committees will again be an online ballot. We hope you find this process easy and enjoyable.

The Professional Leave Committee is being elected under the provisions of Article 27.5 of the Collective Bargaining Agreement, which indicates that those eligible to vote for members of the committee shall be only those members of the University Faculty who are probationary and tenured faculty unit employees. Therefore, the following groups, which are normally considered Regular Faculty Members of the University Faculty, will not receive a ballot for the Professional Leave Committee:

- Administrators, and those in other areas of the University who held positions as Student Affairs Officers III, IV, or V before the change to the new classification system.

The Review Committees, Statewide Senate representative replacement, and Foundation Board representative replacement will be on the ballot for all Regular Faculty members.

**DIRECTIONS FOR VOTING**

The link to the online ballot is found below. **Please be aware that you will not be able to return to the ballot once you have submitted it.** Also, if you choose not to vote for any candidates for a committee, then just click on “other” and add one space (without having to specify a name) and the program will allow you to continue through the ballot.

THE VOTING PERIOD IS FROM: November 4, to November 17, 2010.
