**FROM:** The Academic Senate  
**SUBJECT:** Charge to update [13-14 CR 1 Revised](#)

**ACTION REQUESTED:**

The 13-14 Academic Senate charges the 14-15 Committee on Research to follow-up on recommendations as yet unmet or to make recommendations regarding the processes put in place after the Research Strategic Planning Task Force reported in 2011. The 14-15 Committee on Research shall report on this following-up to the 14-15 Academic Senate.

**BACKGROUND INFORMATION:**

In [13-14 CR 1 Revised](#), the Committee on Research noted that the Academic Senate “may wish to charge the Committee on Research with further follow-up on recommendations as yet unmet or to make recommendations regarding the processes put in place after the Task Force reported in 2011.” Indeed, the Senate voted unanimously to issue that charge, effective for next year’s Committee.
