Brief Overview: CSU Executive Orders 1100 and 1110

Maureen Scharberg
Dean, Academic Programs & Services

Mitch Watnik
Interim Associate Dean, Undergraduate Studies
Agenda:

1. Executive Order 1100

2. Executive Order 1110
Executive Order 1100:

- “Shall not exceed the requirements of” 49 semester units on GE credit (40 lower division GE units).

- Native & Transfer Students must complete the “Golden Four” before enrolling in upper division GE.
Executive Order 1100:

• “Major courses and campus-wide required courses that are approved for GE credit shall also fulfill (double count for) the GE requirement.”
Executive Order 1100:

- “Subject-area course certification accepted for CSU GE at one CSU campus shall be accepted at any CSU campus.”
Executive Order 1100:

• **Area B4:** “shall demonstrate the abilities to reason quantitatively, practice computational skills, and explain and apply mathematical or quantitative reasoning concepts to solve problems.”
Executive Order 1100:

- **Area C**: 12 semester units. At least 3 units completed in Area C1, at least 3 units completed in Area C2, and 3 semester units taken at the upper-division level. *Our Area C3 aligns with this criteria.*
Executive Order 1100: Area E: “...development of themselves as integrated physiological, social, and psychological beings.”

Recommendation: CIC referral to GE Subcommittee
Transition from EO 1100
To
EO 1110
Executive Order 1110:

- ELM and EPT are gone.
- Replaced by “system-wide placement standards” (multiple measures).
Executive Order 1110:

- Freshmen will enroll in Written Communication (GE A2) and Mathematics/Quantitative Reasoning (GE B4) during their first academic year.
Executive Order 1110:

- Co-requisite model for students needing additional academic support for A2 and B4 (3 semester unit baccalaureate course + 1 semester unit pre-baccalaureate credit course).
Executive Order 1110:

• Effective Summer 2019, Early Start Programs shall offer primarily baccalaureate credit-bearing general education written communication and mathematics/quantitative reasoning courses.
THANK YOU!!
