To: Academic Senate

From: Emily Stoper, Chair, Committee on Instruction and Curriculum (CIC)

Subject: Courses Meeting the Lower Division General Education (G.E.) Science Requirement

Purpose: For Action by the Academic Senate

Action Requested:
Approve Application of the following courses to Lower Division G.E. Areas B1 Physical Science, B2 Life Science, B3 Science Electives, and/or B5 Science Laboratory, for the 2004-09 and earlier catalogs; effective Fall 2005

CHEM 2002 Areas B1 and B3
GEOG 2100 Area B3
GEOL 1000, 1200, 2101 Area B1, B3 and B5
GEOL 1001, 1201, 2000, 2300 Area B1 and B3
GEOL 1002, 1202 Area B5
PHYS 1600, 1800, 2005 Area B1
PHYS 2701, 2702, 2703 Area B1
PSYC 1000 Area B2

Background Information:

These courses were approved for the 2004-09 catalog by CIC’s G.E. Subcommittee at its meeting on Mar. 28, 2005 and by CIC at its meeting on April 4, 2005. They meet the new Lower Division G.E. Science learning outcomes.

The syllabi can be found on the GE web page at http://www.csueastbay.edu/ge/subcommitte/ge/courses.htm
