TO: The Academic Senate
FROM: Committee on Instruction and Curriculum
SUBJECT: Application of BIOL 1008, Life on Earth, to General Education Area B1, Life Science Requirement
PURPOSE: Approval by the Senate
ACTION REQUESTED: That the Academic Senate Approve the Application of BIOL 1008, Life on Earth, to GE Area B1, Life Science Requirement; effective Winter Quarter 2005.

BACKGROUND
INFORMATION: This proposal was approved by the College of Science Curriculum Committee and by CIC at its meeting of October 18, 2004, by a vote of 8-0-0. The course is a variation of the introductory biology course for use in the new Earth, Water and Life cluster, but was not available for approval last year when CIC approved the cluster itself.
