TO: The Academic Senate

FROM: Committee on Instruction and Curriculum

SUBJECT: Application of KPE 3200, Sport in Film: Cultural Perspectives, to the Cultural Groups/Women General Education Requirement.

PURPOSE: Approval by the Senate

ACTION REQUESTED: That the Academic Senate Approve the Application of KPE 3200, Sport in Film: Cultural Perspectives, to the Cultural Groups/Women General Education Requirement; effective Winter Quarter 2005.

BACKGROUND
INFORMATION: The course already exists and its other General Education applications have been approved. Normally, application to the Cultural Groups/Women General Education requirement is done by the CIC Subcommittee established for that purpose, but in this case the subcommittee failed to meet to do the approval last Spring and has not been appointed for the 2004-05 academic year. None of this is the fault of the department, which submitted the course in a timely manner, and therefore CIC approved this proposal at its meeting of October 18, 2004, by a vote of 8-0-0, utilizing the same written criteria that the subcommittee would have utilized.
