BACKGROUND INFORMATION:

This revised document removes SOC 3413, 3431, 3610, and 3620, which were discussed at the April 17, 2006 meeting of CIC. As indicated in the approved minutes of the meeting, these courses were not recommended/approved for GE. The courses were inadvertently included in 2005-06 CIC 23, which was approved by the Senate on May 30, 2006. They should not have gone forward to the Senate.

At its meetings on April 17 and May 1, 2006, CIC approved the courses for the G.E. areas indicated above. The courses had been approved by its G.E. Subcommittee.
