SUBJECT: Request for Approval of Discontinuance of the Option in Environmental Recreation and the Minor in Environmental Recreation

PURPOSE: For Action by the Academic Senate

ACTION REQUESTED: That the Academic Senate Approve the Discontinuance of the Option in Environmental Recreation and the Minor in Environmental Recreation; effective Fall 2007

BACKGROUND INFORMATION: The department has requested the above discontinuances, as student enrollments in the Option in Environmental Recreation have been low and no students have completed the requirements of the Minor in Environmental Recreation. These discontinuances were approved by the Dean and Curriculum Committee in the College of Education & Allied Studies on April 4, 2006. CIC approved the proposal at its meeting of April 17, 2006.
