TO: The Academic Senate

FROM: Executive Committee of the Academic Senate

SUBJECT: Standing Rules of the Academic Senate

PURPOSE Action by the Senate

ACTION REQUESTED: That the Academic Senate adopt the attached Standing Rules of the Academic Senate for use during the 2006-07 academic year

BACKGROUND INFORMATION: No revisions to the Standing Rules of the Academic Senate are being proposed.
1. **THE STANDING RULES**

1.1 The Standing Rules of the Senate are established to facilitate the handling of the business of the Senate.

1.2 The Standing Rules shall be established for the academic year at the first regular meeting of the Senate, by majority vote of the members present.

1.3 Standing Rules may be added, amended, or deleted by a vote of a majority of the members present at a regular Senate meeting, providing that the item was on the published agenda for that meeting.

1.4 Standing Rules may be suspended for the duration of a single meeting by a two-thirds favorable vote of the members present at that meeting.

2. **THE EXECUTIVE COMMITTEE**

2.1 The Executive Committee shall meet at least one week in advance of each regularly scheduled meeting of the Senate in order to prepare the agenda for that meeting.

2.2 All meetings of the Executive Committee shall be open to members of the University Community, except as provided in Bylaw IV.6.

2.3 Any member of the Senate shall have the privilege of the floor at meetings of the Executive Committee.

2.4 The proceedings of the Executive Committee shall be recorded in the minutes of the Executive Committee and distributed to the members of the Executive Committee for approval normally by the beginning of its next meeting. After they have been approved by the Executive Committee, the minutes shall be made available to any member of the University Community upon request. A summary of actions of the Executive Committee shall be sent to the members of the Academic Senate, Administrative Officers, College Deans, and Department Chairs, and to others upon special request.

2.5 Election Procedures for Members of the Executive Committee of the Academic Senate

At the Senate Organizational Meeting, once the Senate Officers for the next year are elected, the at-large members will be elected in series. Nominations will be accepted and a vote taken. Each Senator may cast the number of votes corresponding to the number of positions remaining open.

Duplicate votes are not allowed. The person receiving the highest number of votes wins that round.

A second vote is taken to determine the next at-large member, etc. etc. until all five positions are filled. Nominations may be made or withdrawn at any point except during a vote in progress. If there is a tie vote, all top vote getters win that round unless this exceeds the number of available spaces, at which point a tie breaking vote will occur. (approved 01-02 BEC 11) Article IV, Section 7 of the Bylaws, “Organizational Meeting Voting”, states that “absentee and/or proxy voting shall not be permitted” and lists the members of the Senate who may vote at the Organizational meeting.

3. **AGENDAS FOR MEETINGS OF THE SENATE**

3.1 The agenda for each meeting of the Senate is to be prepared by the Executive Committee and distributed to the membership of the Senate at least three (3) days in advance of the meeting.

3.2 Items for submission to the Senate are to be presented to the Executive Committee for action at a regular meeting. The items are to be submitted in accordance with the format presented in SR. 6. Items not presented in the approved format may be returned to the originating group by the Executive Committee.
The business items on the agenda are to indicate: the subject of the item and the source of the item (by code as stated in SR. 6).

The agendas for distribution to the membership of the Senate and each College or Divisional Office shall include the attachments prepared for the agenda. Agendas without attachments shall be sent to Department Chairs.

The first order of business at a meeting of the Senate shall be approval of the agenda. The order in which items on the agenda are taken up may be rearranged by a majority vote of the members present. Items may be added to the agenda from the floor of the Senate by a two-thirds majority vote of the members present. Items may be placed on the agenda of subsequent Senate meetings by a simple majority vote of the members present. Any such items must be accompanied by written motions-for-action submitted to the Secretary with 55 copies for distribution.

MEETINGS OF THE SENATE

Regular meetings of the Senate shall be held on Tuesdays beginning at 2:00 p.m. A meeting may be recessed and continued by majority vote.

All meetings of the Senate shall be open to any member of the University Community.

The Senate delegates to the Chair the right to accord the privilege of the floor to any member of the University Community at the Chair's discretion, but reserves the right to overrule the Chair by majority vote of members present and voting of the Senate.

Motions made on the floor of the Senate shall:
   a. be written and read to the Senate prior to the vote; and
   b. be expressed in terms which indicate that the Senate is to act, precisely what the Senate is to act upon, and how the Senate is to act.

Motions which are submitted as part of agenda items for the Senate are to be expressed in accordance with SR 4.4b, and included and identified as "action requested" in the attachments to the agenda.

Bylaw V.3 states, "Voting at meetings of the University Faculties, Academic Senate and Executive Committee shall be by voice unless a show of hands or a division of the house is requested by a member. A written ballot shall be required for every contested election to office and shall be permitted as a method of voting in other cases upon concurrence of a majority of the members present." A roll call vote shall be required on a vote of 20% of the members present and voting.

If as a result of considerations of time, manner, or place the Chair shall deem that the normal business of the Senate cannot be conducted, he or she may declare the meeting adjourned.

When a member of the Senate has been absent from regular meetings for a number of times deemed by the Executive Committee to be unreasonable, the Committee shall ask the member to submit his or her resignation in order that the position may be filled. If the member refuses to do so, the Senate may declare the position vacant and remove his or her voting privileges by a two-thirds vote.

MINUTES OF THE SENATE

A tape recording of a meeting of the Senate may be made to help prepare the minutes, and for the use of committees upon approval of the Senate. The tape shall be given to the custody of the Secretary and secretarial staff of the Senate. The tape is not to be taken from their custody. After formal approval of the minutes of the meeting the tape for that meeting shall be erased.

The minutes of each meeting of the Senate shall contain the names of members present, of members absent, and of visitors.

The minutes of the Senate shall indicate the names of the makers and seconders of motions, the action taken, and shall indicate the numbers of votes for and against each motion for which a roll call is taken.
