Modified Programs (all effective Fall 2008)

B.S. Degree Major Program in Nursing
1. Discontinue the group communications non-clinical course requirement from the Nursing Major.
2. Reduce units required for completion of the Nursing major from 146-147 to 142-143 for the Prelicensure Nursing option and from 110-111 to 106-107 for the RN Advanced Placement Option.

M.P.A. Degree, Department of Public Affairs and Administration
Reduce the number of options from seven down to five.
   - Revision of the Option in Health Care Administration
   - Revision of the Option in Organizational Change
   - Revision of the Option in Public Human Resources Management
   - Revision of the Option in Public Management
   - Revision of the Option in Public Policy Development
Single Subject Teaching Credential Program
Add a “Bachelors Plus Pathway” to the existing “Discrete Course” and “Integrated” Pathways. The Bachelors Plus Pathway will be a two-year Single Subject Credential Program that will allow candidates to begin the Single Subject Credential Program in the Summer Quarter between the sophomore and junior years. Candidates following this Pathway could simultaneously complete their bachelors degree and the credential program in four years.
