**Modified Majors** (effective Fall 2010)

**B.A. Art**
Requiring no lower than a C- grade for required courses (and required elective courses), in all options of the Art degree.

**B.A. Communication**
Nine options were discontinued, two options were added.

**B.A. Economics**
Codify expectations about expiration of courses and the transfer of possible equivalent courses.

**B.A. History**
HIST 4030 Historiography (4) is now one of two required capstone courses. HIST 4032 Introduction to Public History (4) is now an alternative to HIST 4031 Historical Research Methods (4) for the second capstone course.

**B.A. Theatre Arts**
Alters Section I. Beginning Electives. Eliminates portfolio class to coincide with implementation of revised assessment procedure and redistributes units.

**B.F.A.**
Requiring no lower than a C- grade for required courses (and required elective courses), in all options of the B.F.A.

**B.S. Business Administration**
Codify expectations about expiration of courses and the transfer of possible equivalent courses.

**B.S. Computer Science**
Adding and subtracting required courses resulting in an additional four units for the degree with or without an option.
B.S. Hospitality and Tourism
The addition of prerequisites to most, if not all, upper division major requirements.

B.S. Kinesiology
Change in Performance Requirements.

B.S. Mathematics
MATH 2305 Calculus IV will be a requirement in all three options and will increase the major by 4 units.

B.S. Speech Pathology and Audiology
Many course changes, including a new grade requirement: B.S. in Speech Pathology majors must complete SPPA 3854, SPPA 3855 and SPPA 3859, each with a “B” (3.0) or better in prior to enrolling in any 4000-level courses in the major.

M.A. Anthropology
Addition and deletion of several courses but total units (45) remain the same.

M.A. Communication
Many changes to required and elective courses to accurately reflect the post-Mass Communication/Speech Communication Department merger curriculum.

M.A. Economics
Codify expectations about admission requirements and the transferring in of courses.

M.A. English
Total units have been raised to 48. The revision limits independent study and thesis units and is meant to restore the literary focus on the degree, while leaving ample room for practical students and personal tastes.

M.B.A.
Codify expectations about admission requirements and the transferring in of courses. A small change in the wording of the third student learning outcome.

M.P.A.
Removing STAT 1000 from the list of prerequisites and adding another upper-division PUAD course in its place. Four options were discontinued, two new ones were added, and one was modified.

M.S. Accounting
Codify expectations about admission requirements and the transferring in of courses. Addition to the admissions criteria.

M.S. B.A. Information Technology Management Option
Codify expectations about admission requirements and the transferring in of courses. Deletion of two courses and the addition of one course in the list of elective choices.

M.S. Speech Pathology and Audiology
Significant change of the major, including increasing the total units from 46 to 76.

*M.S. Taxation*

Codify expectations about admission requirements and the transferring in of courses.
