TO: The Academic Senate

FROM: Committee on Instruction and Curriculum

SUBJECT: Amendment to language in the BS History degree program

PURPOSE: For Action by the Academic Senate

ACTION REQUESTED: That the Academic Senate approve the change in terminology from “Concentration” to “Option”; effective Fall 2009

BACKGROUND INFORMATION: At its meeting on October 6, 2008, CIC discussed the request with the CLASS representative to CIC, who represented the issue as a faculty member of History, and unanimously approved replacing the word “concentration” with “option” in the B.S. History program. It was noted that this change is important as “option” is a more commonly used term and allows the information to appear on the students’ degrees. There is no change in the number of or title of offered choices.
