TO: The Academic Senate

FROM: Faculty Affairs Committee

SUBJECT: Modifications to the Retention, Tenure, and Promotion Policy and Procedures (RTP; formerly PTR)

PURPOSE: For Action by the Academic Senate

ACTION REQUESTED: That the Academic Senate approve the recommended modifications to the Retention, Tenure, and Promotion Policy and Procedures (formerly Promotion, Tenure, and Retention Policy and Procedures); effective Fall 09

BACKGROUND INFORMATION: FAC (and its PTR Subcommittee) were asked by the Senate Chair to carefully review the entire PT&R document for clarity and consistency of language. This task was attended to throughout 08-09. At its meeting of 5-13-09, FAC voted unanimously in favor of the modified document, which is attached.

Changes are noted using Track Changes. A “mostly-clean” copy of the document will be provided on Sharepoint in order to make it easier to review the new policy and procedures. Since FAC was discussing important modifications right up to May 13th, there was no time to correct such non-substantial items as formatting problems. Formatting and numbering errors and typos due to the proposed modifications will be corrected by the Senate Office after its passage through the Senate.
