BACKGROUND
INFORMATION: At its meeting on April 20, 2009, CIC approved the discontinuance of the four options listed, and the adoption of the two new options listed by a vote of (8-0-0).

As additional clarification, Carl Bellone noted that: When the MPA program was accredited by NASPAA, there was never a problem with AACSB because AACSB recognized the NASPAA accreditation. I am not sure how the loss of NASPAA accreditation impacts AACSB. However, I would like to say as I stated at CIC that the MPA program has taught courses with the title of management in them since 1967 without AACSB problems. (Other submissions documents are attached to CAPR docs 28-33) The appropriate documentation was provided to CIC; this merely corrects typos on the document approved by the Senate on 6-2-09.
REQUEST FOR APPROVAL OF OPTION IN
PUBLIC HUMAN RESOURCES MANAGEMENT AND CHANGE

1. **Department**: Public Affairs and Administration

2. Full and exact **title** of the Option, along with the degree and major program under which the option will be offered: Public Human Resources Management and Change, Masters of Public Administration

3. Full and exact **title** of the Minor: n/a

4. **Options or Minors already existing** under the major program for which the new aggregate of courses is proposed. Proposals are concurrently being submitted to combine option areas into the following 3 areas:

   1. Option in Public Management and Policy Analysis (24 units)
   2. Option in Public Human Resources Management and Change (24 units)
   3. Option in Health Care Administration (24 units)

5. **Purpose** of the proposed aggregate of courses: Due to limited resources, the department has had the problem of offering courses in five option areas. Thus, the consolidation of the existing five options into three option areas would improve the efficiency in scheduling and will better meet the needs of students. These changes are necessary to meet the accreditation standards established by the National Association of Public Affairs and Administration (NASPAA).

6. List of all **requirements** including the **courses**, by catalog prefix number, title, and units of credit, as well as **total units** to be required under the proposed **option** or **minor**.

   Option: Public Human Resources Management and Change (24 units)

   The four following courses are required:
   - PUAD 6850 Human Resources Management in the Public Sector (4)
   - PUAD 6762 Group Procedures and Facilitation (4)
7. For a new option, list of all requirements including courses, by catalog prefix, number, title, and units of credit, as well as total units to be required for the major in which the proposed option is to be included.

The program requires completion of 48 quarter units beyond the foundation courses, at least 35 units of which must be completed in residence at CSUEB:

Core Courses: 20 units
Required and Elective Courses in an Option Area: 24 units
Capstone Course: 4 units

Core Courses (20 units)
All students must take the following five courses prior to taking the option courses:
PUAD 6801 Public Policy Formulation (4)
PUAD 6811 Human Organizations and Social Realities (4)
PUAD 6812 Changing Human Organizations (4)
PUAD 6831 Research Methods in Public Administration I (4)
PUAD 6832 Research Methods in Public Administration II (4)

Notes: PUAD 6811 must be completed prior to taking PUAD 6812. However, PUAD 6831 and PUAD 6832 are not sequential and are not required to be taken in sequence.

Option Areas (24 units)
Students choose one of the following options to specialize in the area of their choice in the MPA Program (a double option is also available). Options include four courses designated to the option, and 8 units of electives which may be taken outside the department with prior approval of the student's advisor.

Capstone Course (4 units)
Students are required to take one of the following:
PUAD 6901 Graduate Synthesis (4)
PUAD 6909 Departmental Thesis (4) or PUAD 6910 University Thesis (4)

8. List of new courses that were developed and existing courses that needed modification as a result of this new Option or Minor, if any, submitted along with this proposal:
9. **Resource Implications** of the proposed new Option or Minor, if any: No additional resources are required at present, considering the budget situation. In the near future, the Department will need one new faculty who can teach the courses in information management in the public sector and other courses in the public management option.

10. **Consultation** with other affected departments and program committee:
