TO: The Academic Senate

FROM: Committee on Instruction and Curriculum

SUBJECT: Proposed Prefix Modification: All Kinesiology Courses from KPE to KIN

PURPOSE: For Action by the Senate

ACTION REQUESTED: That the Academic Senate Approve the Proposed Prefix Change for Kinesiology from KPE to KIN; effective Fall 2010.

BACKGROUND INFORMATION: Chair Penny McCullagh explained that the change reflects the trend in their discipline away from the term “Physical Education” in favor of the term “Kinesiology.” This change also better aligns our program with those other CSUs. The department name change to Kinesiology was approved last year on 2008-09 CAPR 14, effective for the 2010 catalog. CIC unanimously approved the proposal at its meeting of October 5, 2009.
