SUBJECT: Actions of the Executive Committee of the Academic Senate

At its meeting of October 25, 2005, the Executive Committee of the Academic Senate took the following actions:

Approved:

- the Final List for the Fall University-wide election
- **05-06 CIC 2**, Subcommittee Memberships, with the note that Graduate Program terms should be noted and that if some members were given a third term, it would provide for alternate terms so that only half the seats would be filled in any one year.
