Members Absent: Vanessa Amos, Graduate Student Representative, Steve Borish, Denise Delumen-Wong, Student Academic Services, Hongwei Du, Steve Peng.

Guests: Dennis Chester, Roseanne Harris, Sally Murphy, Julie Norton, Jim Okutsu.

1 Approval of Agenda
   Seitz / Cadwallader 7/0/0 approved

2 Approval of CIC Minutes from November 6, 2006 and April 16, 2007
   Seitz/Wildy  6/0/1 approved, as amended

3 Modification of the BA in Liberal Studies
   Stronk/ Wildy  7/0/0 approved, as amended
   The Liberal Studies major has been modified to facilitate access for both teacher preparation and non-teacher preparation majors. GE integration has been enhanced, with most lower division requirements completed before the major. The few courses removed from the major are covered in the GE pattern. An upper division core has been developed for the required concentrations in teacher preparation. Those who are not becoming teachers will have a wide choice of electives and must complete a minor selected from any offered at the University. An option in special education is still available.
   COS revised some courses and adopted new courses specifically designed to meet all of the California Commission on Teacher Credentialing requirements. Seitz requested that only these COS approved courses, with UDGE B6 designation be included in the teacher preparation track. Seitz also requested that all 4 of the science areas on the California Subject Examinations for Teachers be included.

4 Review of PHIL 2605 Asian Thought for C 2/3 Lower Division Humanities/ Letters
   Seitz / Wu 7/0/0 approved

5 Infrequently Offered Courses Not Taught for Three Years
Roseanne Harris presented a draft Memo listing courses to be appealed for retention, closed out, or banked at the end of Summer 2007. The memo will go to the Academic Senate.

6. Review of Freshman Cluster Proposals
Seitz / Wu 7/0/0 approved, as amended

CIC accepted the slate of Freshman clusters approved by the GE committee excepting the designation of an alternate cluster. The issue of which cluster should be held as an alternate was referred back to the GE subcommittee.

7. Approval of Oral Communication Outcomes
Seitz / Wildy 7/0/0 approved

The Committee approved the LDGE Oral Communication outcomes. The outcomes will go to the Academic Senate.

8. Adjournment
The meeting was adjourned at 4:45pm.

Respectfully submitted,
Kyzyl Fenno-Smith
