At its meeting on November 3, 2009, the Executive Committee of the Academic Senate took the following actions:

**Appointments:**
- Richard Makopondo, HRT, to FDEC 09-11
- Joanna Lee and Ellen Woodard to the PACE Advisory Committee, 09-10
- Cal Caplan to the Honorary Degrees Committee for Fall 09

**Approved:**
- That the past practice of not having frosh as part of priority registration (they are guaranteed their cluster classes and have early registration anyway) will be continued for Winter Quarter and the current Priority Registration Policy of allowing athletes priority reg only in the quarters of their sport season will be upheld. It was agreed that the issue of freshmen having priority reg (or not) in future quarters will be referred to CIC. These issues arose when the priority registration list greatly surpassed the ceiling of 4%. This year, both Athletics and Honors Program had decided to give their frosh priority registration for Winter, which was not a past practice, although the policy did not specifically disallow it. Both areas were asked to remove the freshmen from the Winter Quarter list. This resulted in a list that was still greater than the 4% ceiling, but closer. (Totals changed from 762 to 615).
- The final list for the Fall University-wide election, which had been held up due to lack of nominees.

Discussed the Report from the Task Force on Academic Reorganization with the Provost. The discussion will continue at the next meeting.
