Dear CSCI College Faculty,

As mandated in 13-14 BEC 8 revised: Uniformity of College Elections:

The Executive Committee shall establish an election timeline for all regular Senate offices, including college seats. This timeline shall separate the (Winter) at-large election from the (Spring) College elections, as directed by the Faculty Bylaws (Article VII, Section 3). The College Faculties will retain responsibility for soliciting nominations and the development of the ballot pertaining to College representatives and proposals. The Executive Committee will be charged with ensuring candidates on the ballots are eligible for the office for which they are running. By default, the ballots will be distributed by the Office of the Academic Senate to the appropriate College faculty only; College election committees may “opt-out” of the balloting, provided they adhere to the deadlines specified by the Bylaws.

Therefore, this memo begins the process for the Spring 2016 university-wide college elections, which will include the following items:

- Four Academic Senators, two-year terms (16-18); *(the Academic Senate meets one to two Tuesdays a month, from 2-4 pm)*

- Standing Committees of the Academic Senate
  *(note that no individual may run for more than one standing committee)*

  - One representative to the Committee on Instruction and Curriculum (CIC), two-year term (16-18); *(In 16-17, it will be proposed that CIC meet on every Monday of the month from 2-4pm)*

(FAC meets on the first and third Wednesdays of the month, from 2-4 pm)
