TO: The Regular Faculty

FROM: Dianne Woods, Chair, Academic Senate

SUBJECT: Self Nominations for a Search Committee

It has come to our attention that a search will soon be underway for the position of “Coordinator of the Online Campus.” The Executive Committee will soon approve the job description and the position will be advertised. This letter is to inform the faculty of the search, as well as to call for self nominations from tenured faculty to serve on the search committee.

Please let the Senate Office know of your willingness to serve on this search committee by May 10th. The Executive Committee will approve the faculty search committee membership at its meeting on May 11th. It is likely that this search will carry into the summer, as it is already late April and it is important to have the position filled prior to Fall. The faculty on the committee will be comprised of “1 tenured faculty from each college and 1 tenured library faculty”.

Please reply to this call letter if you are interested in serving on this search committee.

Appointment:
1 tenured faculty from each college and 1 tenured library faculty; appointed by the Executive Committee
1 Presidential appointee
1 Staff from MATS, OHSC or Faculty Development
Shall solicit input from students
