All benefited employees of the Foundation are entitled to holiday pay pro-rated to their time base. To be eligible for holiday pay, employees must be on paid status the workday preceding the holiday and the workday following the holiday. Holidays should be recorded as holiday credit (HOLIDAY in the earnings code), adjusted on observance of said holidays and reflected accordingly on time sheets. If a holiday falls upon a Sunday, it will be observed the following Monday. If a holiday falls upon a Saturday, it will be observed on the preceding Friday. An additional winter holiday was given in lieu of a personal holiday.

If an employee is required by his/her supervisor to work on an observed holiday, he/she will receive holiday credit (HC) that must be used within 30 days of accrual.

* The holiday calendar is subject to change.
