Camp Phoenix is a three-week residential (overnight) summer camp that serves approximately 80 kids each summer in San Mateo County. We are a non-profit program that empowers low-income middle school students to overcome the summer learning gap through an immersive three-week experience. We want every camper who comes to Camp Phoenix to return to school in the fall a more advanced reader and mathematician, more confident in themselves, and more energized to learn.

**Dates of employment:** July 18-August 10, 2019.

If you're looking for an adventurous summer job, we've got one for you. [Click here](#) to apply!
