City of Lathrop Recreation Coordinator Opening

The City of Lathrop currently has an opening for a Recreation Coordinator within our Sports and Facilities division. I’d appreciate your input on potential candidates for this great opportunity or sharing this email within your network. Below I’ve provided details about our City and the position we wish to fill.

The City of Lathrop serves more than 24,000 residents and is one of Northern California’s fastest growing communities. It is strategically centered between the Stockton, Manteca, and Tracy submarkets within San Joaquin County. A dynamic leadership team guides department staff in working cross functionally to deliver services to our growing community. As a result of careful stewardship, the City operates in a strong and stable financial environment.

The Parks & Recreation Department, with twelve full-time positions and a variety of part-time positions, delivers services that are integral in meeting the needs of the community. The City of Lathrop has a vision of the future where our citizens will continue to live in a safe and healthy environment, where businesses will flourish, and where city staff creates an innovative, team-based system that values and strives to offer excellent customer service. The City encourages continuing education as well as involvement and support of local and statewide organizations such as the California Parks and Recreation Society (CPRS). At a minimum, the ideal candidate will have the ability to:

- Create, implement, lead and maintain youth and adult sports programs.
- Develop and organize teams, leagues, practices and game schedules (including bracketing and tournament direction).
- Ability to perform scorekeeping, officiating, field and/or facility setup.
- Train, oversee, and evaluate volunteers and staff.
- Order, maintain and inventory equipment for sports programs and facility operations.
- Assist in planning, organizing, developing, and scheduling the Recreation facilities.
- Provide support, program registration, answer telephones, and maintain correspondence with other divisions and public about facility inquires.
