Thinking about a career in Senior Living? By 2025, a workforce of 136,000 strong will be needed to serve older adults and their families in California. And, you’d be surprised as to how many skills are transferable into the Senior Living profession. Combine that with a potential for growth and advancement that outpaces many other professions, and the possibilities are endless for those with an interest or passion for serving seniors.

Email Jodi Braverman at jdbraverman@calstate.edu if you are interested in learning more about this sector.
