Business Services, a unit of Workforce Development, a division of the Office of Economic and Workforce Development

The Office of Economic and Workforce Development (OEWD) mission is simple – we support the ongoing economic vitality of San Francisco. OEWD provides city-wide leadership for workforce development, business attraction and retention, neighborhood commercial revitalization, international business and development planning.

Workforce Development connects job seekers in San Francisco, who are unemployed, under-employed or have barriers to employment, with employer opportunities in growing industries.
