The Caviar Company is a national company that provides top-quality caviar to restaurants, chefs, and consumers across the country with approachability, integrity, and sustainability

We are looking for motivated, enthusiastic, outgoing, and reliable people with the willingness/desire to learn.

WHAT WE NEED: As a Part-Time Operations Internship at The Caviar Co. your primary focus is to help complete the daily operations in the store during operating hours. This includes order fulfillment both in the store and with shipping logistics as well as daily tasks. This role is also responsible for accepting deliveries, tracking inventory and preparing shipments and outgoing deliveries. The position requires a few part time days during the week and alternating weekends. We also need this person to be available for the occasional event, where we feature a ‘caviar bar’ and serve to guests anywhere from 20 to 300 people.

We will train this person to become highly educated on caviar and hospitality in order to conduct private tastings in store for 2 to 8 people at a time.

REQUIREMENTS: • You are motivated, enthusiastic, outgoing, and reliable with the willingness/desire to learn. • Customer service experience in a related field such as grocery, retail, food service, or hospitality • Knowledge and experience with food industry • A California Food Handler’s or Servsafe Card (can be obtained after hired) • Available to work a flexible schedule that will include days, evenings, alternating weekends • At least 18 years of age or older • Eligible to work in the U.S. for any employer without sponsorship

COMPENSATION: Competitive hourly wage, plus employee discount on all items sold in-store. Gratuity is offered during in-store caviar tastings.
