Cal State East Bay has been named a “Best in the West” University by The Princeton Review.

I had not studied English in high school, so I enrolled in the American Language Program for 5 terms before beginning my undergraduate degree at CSUEB. The Intensive English Program was great – I enhanced my English writing, reading, speaking, listening and grammar skills and improved my English enough to pass the TOEFL. Beyond the classes, I enjoyed the multicultural environment and community of ALP. I really appreciate all of my experience in ALP and feel that it prepared me well for my current university studies.
