STUDENT NURSE MENTORSHIP PROGRAM

Program Duration:
April 2019-December 2019

MENTORING THE NEXT GENERATION OF REGISTERED NURSES

What's in it for you?

RN Student - You will have the opportunity to connect with professionals and peers with similar experiences and challenges. You will receive professional guidance and support to boost your confidence and expand your knowledge of the field.

RN Professional - As a mentor, you will gain essential leadership skills that can be rewarding for you professionally and personally. You will contribute towards your career goals while giving back to the community.

PROGRAM OBJECTIVES

This program is intended for students and RN's underrepresented in the field of nursing. Through this mentorship experience, the mentor will help foster the student's personal and professional development to succeed as healthcare professionals.

To become a participant in the program:
1. Complete application by March 24th
2. Attend orientation & networking event on April 12th
