GENERAL INFORMATION
The Post-Licensure Collaborative Program is completed in one year. *We only have FALL admission.*

METHOD OF INSTRUCTION
Most courses are 100% online. Only two courses (NURS 363 and NURS 451) require regular weekly attendance. These two courses are mainly offered at Hayward, though a few sections are also at Concord.

ELIGIBILITY
Satisfy all of the following. *Meeting minimum requirements does not guarantee admission.*

1. Have an unencumbered, unrestricted California RN License by time of entry into program.
2. Be a recent graduate of an ADN Program from one of the following community colleges: Chabot, Contra Costa, De Anza, Los Medanos, Merritt, Ohlone. **you will be in the last year of your ADN program at time of application.**
3. Have a 3.00 average prerequisite GPA in: ALL EIGHT prerequisite courses combined, **AND** Just the FOUR prerequisite science courses **OR** Have a 3.00 average cumulative GPA at the school where you attended your Nursing program.
4. Submit official transcripts to NursingCAS by FEBRUARY 1.
5. Complete all required prerequisites by end of the SPRING term after you apply. No grades below C are acceptable (a grade of C- is not acceptable).
6. Meet all University Admission requirements, including separate official transcripts, by their published deadlines.

**How Applications Are Evaluated:**

- All qualified applicants are offered admission (meet GPA, prerequisite content, deadlines, RN license).
- If space restrictions arise due to limited clinical experience sites, admission may be based instead on selection from a randomized list of all qualified applicants.
- Our program currently has plenty of space available.

APPLICATIONS DUE NOVEMBER 30

**TWO** applications are required to be considered for admission into Nursing.

1. Online University application submitted to Cal State East Bay Admissions Office (unless already a student)
   - Submit through Nursing Department website only via NursingCAS (fee required)
   ~No late or incomplete applications accepted~

2. Online Nursing application **DUE 8:59 p.m. Pacific Submit through Nursing Department website only via NursingCAS (fee required)**

MAJOR AND DEGREE REQUIREMENTS
The Nursing major requires lower and upper division coursework. Transfer courses used to satisfy prerequisites are evaluated by the Nursing Office.

Upper division credit is granted for successfully passing the NCLEX exam and completing clinical courses in the ADN program.

- **maximum credit for Community College work**
  - (lower division & prerequisite courses) = 70
- **upper division granted nursing credit** = 15
- **CSUEB nursing courses** = 26
- **other required courses** = 9
