**APPROVAL PROCEDURES FOR SABBATICAL LEAVES.** The Professional Leave Committee reviews all sabbatical leave applications according to these criteria: (a) the intrinsic merit of the proposal in terms of its feasibility, and of the professional growth and development of the applicant, of the curricular needs of the applicant's department or area, and of the need to maintain the reputation of the University as a teaching and research institution, and (b) the past performance of the applicant as reflected by publications, research, creative work, honors and awards, academic program and course development, and related accomplishments which bear a direct relationship to the proposed sabbatical leave.

When the application of criteria a and b results in a tie between two proposals, time in service at a college or university since the last sabbatical or equivalent leave will become the criterion.

The Professional Leave Committee submits its recommendations to the Office of the Provost and Vice President for Academic Affairs. Notification to faculty is made in Winter Quarter.

Upon return from sabbatical leave, a complete report must be submitted to the President with a copy to the Professional Leave Committee.

**APPROVAL PROCEDURES FOR DIFFERENCE IN PAY LEAVES:** A departmental committee composed of tenured faculty unit employees shall review difference in pay leave requests. The departmental committee shall be elected by probationary and tenured faculty unit employees. A faculty unit employee applying for a difference in pay leave shall not serve on this committee. The recommendation ensuing from such a review shall be submitted to the appropriate administrator. This review shall consider questions related to the quality of the proposed difference in pay leave. When a faculty unit employee is afforded an unexpected opportunity, such as external funding, a scholarship or fellowship, a rapid and expedited review for a difference in pay leave will be provided.

Upon return from difference in pay leave, a complete report must be submitted to the President with a copy to the Department Professional Leave Committee.

**Additional Information.**

(a) Sabbatical leave policies are found in Article 27 of the CBA [http://www.calstate.edu/LaborRel/Contracts_HTML/CFA_CONTRACT/article27.shtml](http://www.calstate.edu/LaborRel/Contracts_HTML/CFA_CONTRACT/article27.shtml). Difference in Pay Leave policies are found in Article 28 of the CBA [http://www.calstate.edu/LaborRel/Contracts_HTML/CFA_CONTRACT/article28.shtml](http://www.calstate.edu/LaborRel/Contracts_HTML/CFA_CONTRACT/article28.shtml). Please review these policies.

(b) During a sabbatical leave a faculty unit member's retirement contributions and service
credit in the retirement system are reduced by the same fraction as the pay. Upon return from sabbatical leave a faculty unit member may choose to pay into the retirement system the remaining fraction of both the individual's contributions and the University's contributions needed for a full year's service credit.

(c) **NOTE**: Regular checks received during summer months are for work performed during the academic year and are reduced by the same fraction as the pay for the appropriate quarter of a sabbatical leave. Pay for the June and July pay periods is earned during Spring Quarter; pay for the August pay period is earned during Winter Quarter. Any adjustments in pay (due to changes in pay status because of sabbatical leave or other leaves) are always made in the last month of your academic year.

(d) A faculty unit employee on a difference in pay leave shall be considered in work status and shall receive health, dental, and appropriate fringe benefits provided by the CSU in the same manner as if he/she were not on a difference in pay leave.

(e) The CBA provides that a person on either difference-in-pay leave or regular sabbatical leave shall not accept outside employment without prior approval of the President.

(f) If any questions arise about the completion of the application, advice may be sought from the Office of Academic Affairs (ext. 53714) or from the Office of Faculty Development (ext. 54722).
