Starting a student organization at CSUEB is easy! This packet contains all the information you will need to apply for recognition as a student organization. University recognition will enable your organization to:

- Use University facilities (e.g., University Union rooms, classrooms) and equipment for meetings, fundraisers, and other events and programs;
- Apply to Associated Students, Inc. (ASI) for funding for events and programs;
- Use the banking services provided by the Associated Students Business Office;
- Be included in the list of recognized student organizations published by the University;
- Have an on-campus mailbox.

The Student Life and Leadership Programs staff is available to assist you with the recognition process. We look forward to working with you! Follow these 3 steps to get started:

STEPS TO RECOGNITION:

Step 1: Submit the Intent to Organize Packet

Complete the **Intent to Organize** packet and submit it to Student Life and Leadership Programs. An approved Intent to Organize packet provides you with organizational privileges (e.g., the ability to schedule organizational meetings on campus) for **30 days**. The packet includes an Intent to Organize form, Request for Recognition form, and a Sample Constitution. As part of this process, you must secure the names and Net ID numbers of 12 currently registered students who support and are potential members of the proposed organization. In addition, please make sure each officer has read and agreed to the conditions of recognition listed. Student organization officers must be matriculated, currently registered students at CSUEB. The officers are the only individuals who will be authorized to reserve University facilities for the organization. All organizations must have an advisor; he/she must also sign this form.

Each recognized student organization must have a constitution, which defines the organization's structure and operating procedures. The constitution must be submitted as part of the Intent to Organize process. A sample constitution is provided in this packet to assist you in drafting a constitution. The sample illustrates the items normally contained in a student organization constitution as well as items that must be included to comply with CSU/CSUEB policy. This sample is

provided only as a guide; it is the responsibility of the organization members to determine how the organization is to be structured and operated. Please let us know if you have any questions or need assistance in developing a constitution.

Step 2: Complete and Submit a Recognition & Renewal Packet

The Recognition & Renewal packet contains vital information and several forms that need to be completed and returned to Student Life and Leadership Programs. The completed packet must be submitted within 30 days of your Intent to Organize. Forms in the packet include:

- **Recognition & Renewal Request Form**
- **Acknowledgement of Alcohol Policy**
- **Officer Form** – Must be completed with 5 eligible officers listed
- **Student Organization Roster** – Must list all current members of the organization
- **On-Campus Banking Card** - All student organizations must maintain an on-campus bank account. Once your organization is recognized, this card will establish your bank account. Please note that you must have at least 5 signatures in this card who are matriculated, currently registered CSUEB students.
- **Horizon Email Account Request** - All student organizations must have an email account through Horizon. Once your organization is recognized, this email address will be established. Please remember that any email address chosen will last for the life of your organization. Club emails will bounce to the President of the organization's email inbox.
- **Student Leadership Conference Reservation Form** – All student leaders must attend the Student Leadership Conference in the Fall, Winter quarter Leadership Symposium and SOLAR Awards. Please make sure that you and your members RSVP and attend all required sessions.
- **Instructions for Reserving University Facilities**
- **Associated Students, Inc. Funding Policy** – Funding is available through ASI - please familiarize yourself with the funding policy; it is subject to change by a vote of the ASI Board of Directors
- **Sample Funding request & Check Request Forms**

Step 3: Attend a Recognition & Renewal Meeting OR meet with a member of the Student Life and Leadership Programs Staff for a Recognition/Renewal Meeting

During the Fall quarter, we offer several opportunities for recognition with a series of Recognition and Renewal Meetings. During this meeting we will review your constitution and Request for Recognition and discuss the policies and procedures and services available to assist the organization. Organizations are recognized year round; approximately 2 Rec/Renewal meetings will be offered in the Winter and Spring quarter. If you are not able to attend the meetings, a Student Life and Leadership staff member can setup an individual meeting with club officers.
