Instructions – Student Employment Action Form (SEAF)
* You must attach enrollment verification displaying to all Student Employment Action Forms.

New Appointments – New student employees must complete onboarding forms in Payroll Services located in SA 2600 on their first day of employment; this includes the Student Payroll Action Request (SPAR) and form I-9. Students must provide appropriate documentation proving employment eligibility as stipulated by the U.S. Citizenship and Immigration Services. Please reference the "Lists of Acceptable Documents" that is included in the onboarding packets. All documents **must be original and genuine. Photocopies will <u>not</u> be accepted**. SEAF forms for new student employees will be placed in a pending status until a completed SPAR and form I-9 is on file. After all documents are completed and submitted to Payroll, new student employees will be added to the PeopleSoft database, and will be eligible to begin work.

Academic Year Reappointments – All student employee appointments terminate on May 30th, the end of the academic year. A reappointment SEAF must be submitted for all current student employees at the beginning of every academic year. Reappointments should be effective the date the student employee returns to work. It is not necessary to appoint student employees each semester.
